### Hytrol Releases New E24™ Brochure And Logo

(Jonesboro, AR) September 08, 2010 — Hytrol Conveyor Co., Inc. is pleased to announce the release of our new E24™ brochure. This four-page brochure details the successful E24™, 24-volt DC conveying system.

Hytrol has designed a logo to accompany the E24™ series as well. We wanted to give the industry a visual way to recognize the leader in 24-volt DC conveying solutions.

The E24™ brochure is available by clicking the following link:
