Hytrol is Exhibiting at Modex 2012

(Jonesboro, AR – January 4, 2012) Hytrol is excited to be exhibiting at **Modex 2012, February 6th- 9th in Atlanta's Georgia World Congress Center**. Modex is the industry's newest expo for the manufacturing, distribution and supply chain industries. Whether you are interested in viewing the latest trends and technology or connecting with potential solution providers, Modex 2012 will showcase the best that the industry has to offer.

Hytrol's booth, no. 2818, will feature cutting-edge technology and solutions to fit any application. In addition to our booth, Hytrol's Boyce Bonham and Intelligrated's Tim Kraus will be presenting an educational session on sortation solutions.
